

Regional Telethon home backs up record year

+ BY CHLOE VELLINGA

WA Country Builders, together with a talented line-up of trades and suppliers, delivered this year’s regional Telethon home to absolute perfection, resulting in a record \$900,000 sale last month.

With all profits from the sale going to Telethon to help the sick children of Western Australia, those involved in the mammoth project were as proud as punch when the hammer came down on auction day.

WA Country Builders South West General Manager Rade Ristovic said the two-storey charity home located on the stunning Busselton canals of Newport Geographe was the company’s 12th regional home for Telethon and was definitely one of the most luxurious.

“Since building our first regional Telethon home in 2004, we have proudly raised

over \$5.92 million to provide much-needed financial assistance to a significant number of charitable organisations, children’s hospitals and research and medical facilities in WA,” he said.

The 392sqm home was built on land donated by real estate developer Aigle Royal, with the build itself taking only a few months from start to finish thanks to the help and support of suppliers and trades who donated products and services to complete the task at hand.

Showcasing all the finest finishings WA Country Builders is renowned for, such as raked ceilings, open-plan living and modern design, the homeowners can relax in peace within their new abode knowing every cent from the sale will help the health of future generations.

“As a group, we try to set up the home every year, as Telethon is such a great cause,” Mr Ristovic said.

“Without the support of suppliers and trades we wouldn’t have the opportunity to be involved in the construction of the annual regional Telethon homes.

“WA Country Builders looks forward to maintaining this association with Telethon

in years to come.”

The home is located at 12 Lanyard Boulevard, Geographe and will be open for a few more months on Mondays and Wednesdays from 2-5pm and Saturdays and Sundays from 1-5pm.
